

**Hambrick Middle School-Aldine Independent School  
District  
Campus Parental Involvement Policy  
2015-2016**

The primary objective of Hambrick Middle School's Parental Involvement Policy is to foster a bond between the home, school, and community for the students we serve. Hambrick Middle School will create opportunities for collaborative efforts between parents and the school staff to ensure student success.

As a school community we will:

- Distribute School-Parent Compacts to all parents and students.
- Continually communicate with parents by means of phone calls, text messages, emails, BlackBoard automatic dialer, conferences, mail, and the campus website to inform them of school events and community services that are available.
- Provide translations of written correspondences and interpreters at parent conferences, meetings, and training sessions for non-English speaking parents.
- Distribute surveys requesting parent input regarding issues that affect our students and community.
- Conduct Parent Nights that focus on relevant family matters to encourage positive interaction between the parents, children, teachers, and administrators of Hambrick Middle School.
- Adhere to guidelines set forth in the Aldine Independent School District's Title I Parental Involvement Policy.
